About This Event

Each year at the **Silicon Valley Forum Visionary Awards**, we honor industry leaders who have pioneered innovation and fostered the spirit of entrepreneurship—distinguished leaders who have shaped Silicon Valley and beyond. In many ways, the event is Silicon Valley's Oscars®, as it is here where those that have made Silicon Valley synonymous with creativity and advancement in technology are honored for their contributions. This year's honorees will follow in the footsteps of Bill Gates, Elon Musk, Ray Kurzweil, Reid Hoffman, Sal Khan, Astro Teller, Vinod Khosla, Vint Cerf, Padma Warrior, Kimberly Bryant, Marc Andreessen, Neri Oxman, Steve Wozniak, and Tim O'Reilly, just to name a few.
